## Planning the Annual Unit Program for Your Pack, Troop, Team, Crew or Ship

An annual program plan allows your members to get your unit’s activities on their family calendars, making it more likely that they will be available to participate. Your members choose between many activities sponsored by your unit, churches, schools, sports groups, and the like. So, it is important that your unit gets its events in front of its members as early as possible. A calendar is a useful format for summarizing the unit annual plan.

### What?

An annual plan shows all the events the unit plans to hold or participate in for the next year.

### When?

We strongly recommend that you publish your unit’s plan to your members by August 1 to get events get on the family calendar first. Starting in May would give your unit three months to reach agreement on a plan. To support your efforts, the Golden Arrow District makes planning information for the following school year available at the annual Program Preview which replaces the May leader Roundtables.

### Who?

A planning group creates the plan for approval of the unit Committee. The composition of the planning group varies depending on which BSA program your unit uses.  
Packs – Cubmaster, Den Leaders, and all or part of the Pack Committee  
Troops, Teams – youth leadership (PLC) assisted by the unit leader (SM, VC)  
Crew, Ships – youth leadership with guidance from the Advisor

### How?

BSA recommends a 5-step process to develop your unit’s annual program plan.

#### 1. Do Your Homework

Gather calendars from the district, schools of your members, your chartered organization. Review individual Scout advancement status. Set goals for the unit for the next year. Inform the unit Committee that the planning process is starting – you will need their approval when you are done. Organize the planning group.

#### 2. Get Unit Input

Ask your members: What worked well in recent years? What didn’t? What would you like to do?

#### 3. Conduct the Planning Conference

Planning group uses the information from steps 1 and 2 to develop a monthly calendar showing a monthly theme or focus, and dates for

- all unit meetings, both regular and special,
- monthly outings,
- summer activities,
- deadlines for major activities

Calendar covers a period of one year.

#### 4. Get Committee Support

Top youth leader (or the Cubmaster for Cub Scouts) usually presents the plan to the unit Committee which is then asked for its support in conducting the plan. If the Committee does not approve the plan, determine what the problem areas are and go back to step 3.

#### 5. Publish the Plan

Distribute copies of the plan to all the unit’s members. Prospective new members will want to know what you are doing, so make extras!  
*Remember: the best program in the world doesn’t benefit those who don’t know about it!*
