**2008 Golden Arrow Trails - Golden Arrow
District
High Adventure Skill Event Areas - Troop**

Please select a skill(s) that your troop learned or used at a recent High Adventure activity that you want to explain, demonstrate, guide and enable others to use in their Troop.

Return this form with your registration

- First Aid -Advanced Wilderness First Aid skills
- LNT - How to incorporate LNT principles into High Adventure camping
- Map and Compass- Basic Land navigation
- Ropes- How knots are used in High Adventure- Rigging a dining fly, bear bags, crossing streams.
- Cooking- Supermarket backpacking foods, better ways to cook backpacking with less muss and fuss.
- GPS basics. What is it all about. What is UTM? How to use GPS with a map.
- Geocaching. How to have fun finding caches and improving your GPS skills.
- Model Campsite. What goes where in a high adventure campsite and what is the triangle business all about and who asked the bears?
- Challenge and Team Building Games

Please note that these are only suggestions.... Feel free to add other events with a Scouting High Adventure theme which you think might be of interest to Scouts.

Also have information about your Troop's recent high adventure activities, with information about what, when, where, how, how much and what you did that you would like other troops to know about. This is for Scouts and adults to share with their Troops and Troop Committee to consider for future planning purposes.
