## BALOO and OWLS Training in a single Course

You asked for it, and now we have it. One course. One day. Two fantastic learning experiences. Any adult who has an interest in camping and learning outdoor skills can take this course. Designed for leaders who are in charge of Pack and Webelos overnight activities, this course covers the rules, guidelines, and safety considerations for "Pack family camping" and Webelos campouts. It teaches camping and other outdoor skills so that leaders can deliver the outdoor portion of the Cub scouting and Webelos programs. Participants will receive both BALOO and OWLS certification. Local Tour Permits require that a BALOO-certified registered adult leader attend Cub Scout Campouts and overnight activities.

This is a great course for Tiger, Cub or Webelos parents who have little or no camping experience. It is an outdoor training with emphasis on outdoor activities and skills pertaining to Cub Scout camping and outdoor activities. Participants should bring a lawn or camp chair, sunscreen, hat, rain gear, and water bottle. Please wear BSA field uniform or activity uniform.
